

Market Harborough Model Aircraft Club

BMFA mass flying event 15th May 2022.

We achieved 7 out of 8 models airborne at 12:00:00hrs.

Unfortunately the 8th model missed by 14 seconds.

Team photo left to right:

Tim Smith with a Ruckus electric

Dave Ginns with a Mini Moronic electric

Toby Collis with a Just Junior IC powered

Sue Johnson with a Keil Kraft Ace rubber powered

Roger Jayes with a Just Junior electric

Francis Eady with an Ultimate electric biplane

Alan Davidson with a Cougar 2000 IC powered

Nick Chudley with a Shoestring electric racer

Just Junior electric airborne

Ruckus electric airborne

Ultimate electric airborne

Shoestring electric airborne

Mini Moronic electric airborne

Just Junior IC powered airborne

Cougar 2000 IC airborne

Keil Kraft Ace rubber powered airborne

This was the best multi aircraft frame – spot 4 of the 8 aircraft!!

**My thanks to everyone for joining in the fun and
thanks to Dave Burditts for helping with the photos.**

Roger
